

THE GREEN GAZETTE

Your monthly update to educate, inform and inspire

Welcome to the January 2023 edition of 'The Greenworx Gazette'. This is our way to help educate, inform and share what's happening, not only within Greenworx maintenance and projects activity, but across the landscape industry.

WELCOME TO THE NEW YEAR!

On behalf of Greenworx, we hope that everyone had a wonderful break over the Christmas and New Year period. We hope that this year brings many positive achievements and opportunities to all!

Does your site need landscape work?

At Greenworx, we are a complete commercial landscape solution for our clients. When it comes to commercial landscaping, we can design, construct and maintain or any part thereof as you require.

Check out our website to find out more about our services: <https://www.greenworx.com.au/our-services/>

Contact our friendly team of landscape experts today to discuss your sites' requirements!

LEARNING IS KEY TO CONTINUOUS DEVELOPMENT

At Greenworx, it is important that we continue to nurture and develop our team members' skills and knowledge and provide them with opportunities to advance in their careers at Greenworx.

At one of our most recent training sessions, we had our apprentices finish early and come to our Sydney office for an afternoon workshop where they learned some important skills in using the equipment that they are exposed to every day.

The two key topics at this workshop that our apprentices were involved with were how to safely hitch and unhitch a trailer and how to change and load brush cutter cord into the auto feed heads.

Sounds simple, right? And it is if you know how, as these apprentices do now.

SPORTS FIELD RENOVATIONS

Over the Christmas and New Year period, our maintenance and project teams never stopped. This included several sports field renovations for our school clients.

In order to get the best results in the shortest timeframe, our school holiday works needed to include weed management, coring, fertilising, top dressing and irrigating.

As per the photos below, the results speak for themselves. We are delighted to hand all of our projects back on time and ready for the schools to use on the first day of Term in 2023!

EMPLOYMENT

Do you enjoy working as part of a team?

Do you love working outdoors and at a variety of different sites?

Do you have or want to obtain a qualification?

At Greenworx, we are seeking new team members to join our team. It is important to us to find people who share our company values and take pride in the tasks they complete everyday.

We are on the look out for the following to join our teams:

- Maintenance Team Leaders
 - Maintenance Landscape Assistants
- Consider giving us a call on **1300 476 979** or email **employment@greenworx.com.au** to discuss the positions in further detail.

“When experience and dedication matter,
Greenworx makes all the difference.”
