

THE GREEN GAZETTE

Your monthly update to educate, inform and inspire

Welcome to the May 2023 edition of 'The Greenworx Gazette'. This is our way to help educate, inform and share what's happening, not only within Greenworx maintenance and projects activity, but across the landscape industry.

NSW GREENFLEET PLANTING DAY

This month our team attended the NSW Annual Greenfleet Tree Planting day, hosted at Bonna Point Reserve, Kurnell.

The team were able to learn more about Greenfleet's purpose and their steps towards bush regeneration. Through this, our team were involved in planting a variety of trees and shrubs, such as Loropetalum 'China Pink', Photinia 'Red Robin' and 'Agapanthus 'Snowball'.

Greenworx has been a proud partner of Greenfleet for the last 3 years and we are happy to continue to support their cause whilst also helping to offset our carbon emissions.

LANDSCAPE UPGRADE

Our team in VIC recently completed a landscape design and upgrade to the front of this educational facility.

The team captured the client's vision and with the added touch of a variety of different landscape materials, we were able to provide contrast and interest to a once dull area.

See below for some before and after photos!

MAINTENANCE

Our team in QLD recently delivered a short-term maintenance contract at a school, where they have been able to transform the landscape through a variety of lawn and garden maintenance tasks. Our QLD Branch manager, Jason, was able to provide a specified scheduled maintenance program to suit the school's needs whilst they were temporarily short staffed.

This demonstrates our flexibility and willingness to assist our clients however they require.

Check out some of the great results!

ACSP CONFERENCE 2023

Greenworx were delighted to attend and sponsor the Association of Catholic School Principals (ACSP) Conference in Wollongong this month. It was a great opportunity to both speak with our existing clients and also meet with potential clients and discuss the landscape needs for their schools.

EMPLOYMENT

Do you enjoy working as part of a team?

Do you love working outdoors and at a variety of different sites?

Do you have or want to obtain a qualification?

At Greenworx, we are seeking new team members to join our team. It is important to us to find people who share our company values and take pride in the tasks they complete everyday.

We are on the look out for the following to join our teams:

- Maintenance Team Leaders
- Maintenance Landscape Assistants

Consider giving us a call on **1300 476 979** or email

employment@greenworx.com.au to discuss the positions in further detail.

“When experience and dedication matter,
Greenworx makes all the difference.”
