

THE GREENWORX GAZETTE

Your monthly update to educate, inform and inspire

Welcome to the July 2023 edition of 'The Greenworx Gazette'. This is our way to help educate, inform and share what's happening, not only within Greenworx maintenance and projects activity, but across the landscape industry.

NATIONAL TREE DAY

Sunday 30th July is National Tree Day!

This day highlights the importance of trees to our environment and the vital role that they play. Some benefits of trees include:

- reducing carbon in our atmosphere and providing cleaner air
- providing shade and cooling areas around them
- providing food and habitats to our wildlife
- providing more stability in soil, which can help to minimise environmental factors, like erosion
- enhancing outdoor areas, such as parks and open spaces, which can create an environment to influence people do more outdoor activities and this can assist with improving overall wellbeing.

Check out Planet Ark's website to learn more information about National Tree Day and how you can get involved: <https://treeday.planetark.org/>

GARDEN BED UPGRADE

Our team in QLD recently completed a garden bed upgrade at one of our client's sites. Through consideration of the client's budget and desired outcomes of the project, Greenworx were able to deliver to the client's expectations through enhancing the courtyard area by planting a range of drought tolerant plants.

ARTIFICIAL GRASS INSTALLATION

From an exciting tour of the new Sydney FC Centre of Excellence, it resulted in Greenworx being involved with delivering an artificial grass mini-field to be used by the junior academy players as a breakout area.

Contact us today to find out the most suitable artificial grass options for your site!

ST ANDREWS CAREER MARKET

Greenworx were delighted to recently attend the St. Andrews College Career Day in Marayong. Having delivered many projects within the junior campus we were excited to speak to year 10, 11 and 12 students about potential career opportunities with Greenworx and the rewards of delivering quality works.

EMPLOYMENT

Do you enjoy working as part of a team?

Do you love working outdoors and at a variety of different sites?

Do you have or want to obtain a qualification?

At Greenworx, we are seeking new team members to join our team. It is important to us to find people who share our company values and take pride in the tasks they complete everyday.

Consider giving us a call on **1300 476 979** or email

employment@greenworx.com.au to discuss the available positions in further detail.

“When experience and dedication matter,
Greenworx makes all the difference.”
