

THE GREENWORX GAZETTE

Your monthly update to educate, inform and inspire

Welcome to the September 2023 edition of 'The Greenworx Gazette'. This is our way to help educate, inform and share what's happening, not only within Greenworx maintenance and projects activity, but across the landscape industry.

TLA EXPO 2023

This month, The Landscape Association (TLA) completed their first trade-focused Landscape Expo at TAFE NSW, Ryde Campus. It was a great success and turn out for the industry!

Our director, John, who is also president of the TLA, attended and along with TLA staff including industry colleagues also representing the board, they enjoyed cooking up a storm for the attendees.

Check out the TLA website for more information about the day! <https://www.landscapeassociation.com.au/news/tlas-landscape-expo-a-huge-success/>

MAINTENANCE BLITZ PROGRAMS

On top of our regular scheduled maintenance programs, Greenworx also offers a range of Maintenance Blitz Programs!

Feedback from our clients represents that sometimes the list of maintenance tasks required to be completed, can often be greater than the capacity of available resources and support that a client's site has internally.

Therefore, Greenworx can assist in this aspect where we can develop a selective task focussed service program that can suit the client's needs and budget constraints.

Contact us today to discuss!

NSW PRIMARY DEPUTY PRINCIPALS CONFERENCE

This month, Greenworx were delighted to attend and sponsor the NSW Primary Deputy Principals Conference at Rooty Hill. It was a great opportunity to speak with potential clients and discuss the various landscape needs for their schools.

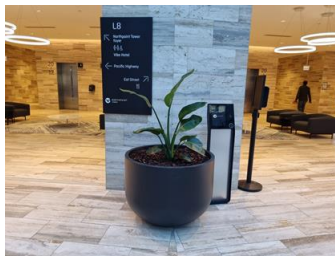

A TOUCH OF GREENERY

One of our client's sites had their foyer recently refurbished and upgraded with a beautiful sandstone tile throughout. There was just one final element missing ... some greenery!!

Greenworx installed various sized charcoal pots to help offset the sandstone tiles and added a combination of vibrant indoor plants with pine bark mulch to really make the colours pop!

It shows that even the small, intricate pieces can make all the difference!

EMPLOYMENT

Do you enjoy working as part of a team?

Do you love working outdoors and at a variety of different sites?

Do you have or want to obtain a qualification?

At Greenworx, we are seeking new team members to join our team. It is important to us to find people who share our company values and take pride in the tasks they complete everyday.

Consider giving us a call on 1300 476 979 or email employment@greenworx.com.au to discuss the available positions in further detail.

**“When experience and dedication matter,
Greenworx makes all the difference.”**
